Address: 39655 N. IL Route 83
Lake Villa IL, 60046

Founded in 1996, CS Hyde Company is a privately held, certified Woman-Owned Small Business located in Lake Villa, Illinois. CS Hyde Company is a converter and supplier of performance adhesive tapes, plastic films, industrial fabrics, silicone rubber products, cords, and threads. Utilizing on-site converting technology we can produce custom slit width roll products, custom adhesive laminated products, intricate die cut parts & gaskets, high speed sheeting, and custom belting. CS Hyde is an ideal source for custom product solutions based on quality stock inventory, high tech converting machinery, and an experienced, dedicated staff.
